Systeme – Author Guidelines

General Manuscript Requirements

First page of manuscript: For each author give professional degree/title, name and location of the principal institutional affiliation, complete mailing address incl. e-mail, abstract and key words.

On the following pages please include continuous text without any formatting.

A superior number at the appropriate place in the text should indicate the appearance of footnote. The numbered list of footnotes should be located after the text on a separate page.

At the end of manuscript please include a complete reference listing and a short curriculum vitae of each author.

The manuscript should not be longer than 20 pages (~ 50.000 letters).

Abstract

The abstract should include approximately 150 words and keywords at the end.

Tables/Figures

Use a separate sheet of paper for each table/figure incl. subtitles and number at the end of the manuscript. Indicate in the text where tables/figures are to be placed.

References in Text

Name of author, year of publication, without comma, in parentheses. For quotations (set off by quotation marks) page number(s) must be provided. Up to 2 authors cite both, more than 2 authors cite first author et al.

See following examples: Reiter (1983) wrote ..., It could be shown (Reiter 1983) ..., Further investigations (Reiter u. Steiner 1992, Hinsch et al. 1993) ..., ...has been demonstrated." (Reiter 1983, S.12)

Reference Listing

Alphabetize by surname; list all authors; spell out journal names; abbreviations for journals and shortcuts (ibid., op.cit.) are not acceptable.

Books: surname(s) of author(s), initials, year of publication in parentheses, title, name of publisher, location of publisher (e.g. Reiter L (1983) *Gestörte Paarbeziehungen. Theoretische und empirische Untersuchungen zur Ehepaardiagnostik.* Vandenhoeck & Ruprecht, Göttingen)

Articles in Edited Books: e.g.: Rittermann MK (1986) Exploring Relationships between Ericksonian Hypnotherapy and Family Therapy. In: De Shazer S, Kral R (1986) *Indirect Approaches in Therapy.* Aspen Publishers, Rockville/Maryland, S 35-47

Journals: e.g.: Luhmann N (1985) Die Autopoiesis des Bewusstseins. *Soziale Welt* 36(4):402-446

Online-Text: e.g.: Holland N (1997) The Internet Regression. Online. Internet: <http://www.rider.edu/>

Submission Procedure

Systeme uses a blind review system and sends each submitted manuscript to a panel of reviewers for their careful reading and editorial suggestions.

Authors will be advised of the decision about their manuscripts as rapidly as possible. Manuscripts are received with the understanding that they are not being submitted simultaneously to another publication. Upon acceptance, the principal author will receive a copyright transfer form.

Copyright Transfer Form

Author(s) transfer copyright to ÖAS Eigenverlag and the journal *systeme* in printed and electronic form incl. right of translation.

Author(s) may publish their article on their homepage with quotation of first published in *systeme*.

Please send your manuscripts, information, announcements, letters to the editors to *systeme* Redaktion
